

Gala Theatre - STUDIO

Technical Specification for visiting companies

April 2016

**Gala Theatre
Millennium Place
Durham
DH1 1WA**

The Studio

The Gala Theatre Studio is a studio space which is located on the 2nd floor of the Gala Theatre, Durham.

It has a drinks bar along one side which can be open during an event if needed, and a glass windowed wall opposite with blinds to create a semi-blackout.

The floor is semi-sprung and of wooden construction which cannot be screwed in to.

Dimensions

The space is approximately 22m long, 6m wide and 3.3m high.

(see photos for more detail)
